BIO

Good God Father is a father-and-son rock band from Sheridan / Portland, Oregon. Sean Lewis writes the songs, sings, plays guitar and produces. His son Eamon Lewis plays drums. Together they make Psychedelic Industrial Based & Trad Goth Rock: heavy, layered and dark, for fans of Type O Negative, Bauhaus, Nine Inch Nails, Alice In Chains and Pink Floyd.

Sean has been recording since 2002, first with the Oregon bands Masonic Weird, Auburn and Martyred Whitmans. In 2017 the songs came back as Good God Father. With two LPs, two EPs and about 3,000 units sold, and no label, the band is now pressing its new album, *I Pray You*, on 12" vinyl.
